Dear Parents,

Keeping you informed is a top priority at the Catasauqua Area School District, which is why we have adopted the SWIFT REACH NETWORK Notification Service. This system will allow us to send telephone, e-mail, and text messages to you providing important information about school events or emergencies.

We will use SWIFT REACH NETWORK to notify you of school delays or cancellations due to inclement weather, as well as remind you about various events, such as report card distribution, open house, and more. The system will also be used to inform parents when their child is absent from school. In the event of an emergency at school, you can have peace of mind knowing that you will be informed immediately.

**What you need to know about receiving calls sent through SWIFT REACH NETWORK**

- Your Caller ID will display the school's main number when a general announcement is delivered (including late starts). Late start announcements will be sent no earlier than 6:00 A.M. and no later than 9:00 P.M.

- SWIFT REACH NETWORK will leave a message on any answering machine or voicemail.

To ensure that SWIFT REACH NETWORK system announcements reach the proper destinations, please complete and return the attached registration form and return it to one of our school offices. Please notify the office if changes are made to any of the contact information.

We are very excited to incorporate SWIFT REACH NETWORK as a tool to improve parent communication and look forward to having the ability to deliver real time information to you and provide awareness of events that take place within the district.

Regards,

Robert J. Spengler
Superintendent

FEDERAL ETHNICITY AND RACE FORM

Each year the Pennsylvania Department of Education (PDE) requires the School District to complete a report which sorts data on all students by grade, homeroom, age and ethnic/race categories. Under the new guidelines provided by the U.S. Department of Education schools are required to collect the race/ethnic data by using the following two question format. Please answer the first question by choosing a Yes or No answer, the second question asks you to select an ethnic/racial group that best describes your child’s ethnic/racial background.

Student’s Name: __________________________________________ Grade: ______ Date of Birth: __________________________

1) Is the child Hispanic/Latino/Spanish? _______ Yes _______ No

(Hispanic Latino means a person of Cuban, Puerto Rican, South or Central American or other Spanish culture or origin, regardless of race.)

The federal government considers “Hispanic/Latino” to be an ethnicity, not a race. That is why Hispanic/Latino is not listed as a race identification category.

2) If applicable, please select one or more races from the following five racial groups that would best describe your child’s ethnic/racial background:

_____ American Indian or Alaskan Native: A person having origins in any of the original peoples of North and South America (including Central America) and who maintains a tribal affiliation or community attachment.

_____ Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia or the Indian subcontinent including, for example, Cambodge, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand and Vietnam.

_____ Black or African American: A person having origins in any of the black racial groups in Africa.

_____ Native Hawaiian or other Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa or other Pacific Islands.

_____ White: A person having origins in any original peoples of Europe, the Middle East or North Africa.
