

STOP AND READ THIS IMPORTANT CORONAVIRUS (COVID-19) UPDATE

It is critical in this unprecedented time that we all do our part. So if you're feeling sick, the BEST thing you can do to protect yourself and your community is

STAY HOME

As a national leader in infectious diseases and control Lehigh Valley Health Network (LVHN) is taking extraordinary steps to deliver the smart, comprehensive care you need through new ways to screen, assess and test. If you think you have COVID-19 or you may have been exposed to someone who does,

BEFORE YOU GO TO THE DOCTOR

CALL 888-402-LVHN

A team of health partners is ready to advise you on your next steps. With access to our 24/7 nurse hotline and virtual visits you can trust that we have your back. We are:

CONDUCTING FREE COVID-19 SCREENINGS

- On the phone, by calling the number above
- Online by visiting your MyLVHN app or myLVHN.org
- On your mobile device with an e-Visit or with an LVHN Video Visit, which gets you face to face with a medical provider from the comfort of your own home

OPERATING NUMEROUS STANDALONE COVID-19 ASSESS AND TEST LOCATIONS

- Designed to keep our community safe by limiting additional exposure
- We are ready to open additional locations as needed

PROVIDING UNINTERRUPTED QUALITY CARE

- Our hospitals and LVPG practices are open and operating as normal
- If you have a scheduled appointment or procedure, keep it

The news is changing by the minute and we're expanding access by the day. As your partner we're here to keep you informed.
