Mr. Eric Dauberman

Principal

Dear Parents/Guardians,

I want to take this opportunity to welcome you to the 2021-2022 Title I Schoolwide Program. **Your child has been selected to participate in the program.** Title I is a federally funded program in grades K-4 for those students needing additional support in the area of reading and or math. It is designed to provide your son/daughter with the activities and strategies that contribute to scholastic success.

Your child has been specifically recommended for services in the area of Reading. Several criteria and assessments are used in the selection of participants. Teacher recommendation, reading readiness screening, DIBELS scores, achievement in the Language Arts curriculum and a Leveled Reader Placement Test are all considered when selecting students for Title I services

A Title I teacher / Reading Specialist will work with your child in a small group instruction model, based on the student's needs. Our Title I program focuses on teaching phonics, vocabulary, and comprehension strategies. Students are frequently progress monitored to determine their strengths and weaknesses.

**If you do not want your child to receive Title I services, please notify me in writing as soon as possible. Otherwise, I will assume you wish your child to participate in the program.**

Please read the attached information concerning our Parent Involvement Policy and the School/Parent/Child Compact. If you have any questions about the Title I program, please feel free to call any time. The Title I staff eagerly look forward to working with your child, so we can all join together to make your child's school experience a successful one.

Sincerely yours,

Eric Dauberman

Sheckler Elementary Principal
